Service Provided	Writer called back Christa to gather more information. Christa shared that she is unsure who youth's outside counsellor is, but that she is going to email parents and find out. Youth sees this outside counsellor on a regular basis and this counsellor is not new to youth. Christa is also going to ask for youth's consent to speak to youth's outside counsellor so that counsellor can support youth with suicidality. Christa is connecting youth to ASW and substance use liaison at school as youth is in a place where she would like to get support for substance use (vaping, drinking). Youth has Indigenous cultural background and is connected to Indigenous cultural programs (Christa was not sure the names of these programs). Winter let Christa know that she can reach out at any time if she has more questions or if youth's counsellor is no longer working with youth. Christa will give youth's parents SPEAC's contact info in case parents or youth feel they need extra support.
Outstanding Needs	Christa is going to connect with youth's parents and find out who youth's counsellor is (whether this counsellor is with START or not). Christa will connect with us again if she has any questions or if youth is in need of more support.
